

Put The Corn In The Basket

Directions: Find the path through the maze from the corn to the basket.

What I ate today:

My Lunch Grade:

Favorite Veggie

Directions: Draw a picture of the vegetable that you liked most during the Vegetable Taste Test.

Parent Corner

Sometimes children need to be presented with a new food several times before they will even try it. Children may hate a particular food one day, and love it the next – so keep introducing new foods. If your child expresses a dislike for carrots, just keep serving them. They may try them eventually!
